City Council
City of De Soto, Kansas
De Soto, Kansas

We are pleased to present this report related to our audit of the financial statement of City of De Soto, Kansas (the City) as of and for the year ended December 31, 2023. This report summarizes certain matters required by professional standards to be communicated to you in your oversight responsibility for the City's financial reporting process.

This report is intended solely for the information and use of the City Council and management and is not intended to be and should not be used by anyone other than these specified parties. It will be our pleasure to respond to any questions you have about this report. We appreciate the opportunity to continue to be of service to City.

Required Communications

Auditing standards generally accepted in the United States of America (AU-C 260, *The Auditor's Communication with Those Charged with Governance*) require the auditor to promote effective two-way communication between the auditor and those charged with governance. Consistent with this requirement, the following summarizes our responsibilities regarding the financial statement audit as well as observations arising from our audit that are significant and relevant to your responsibility to oversee the financial reporting process.

Area	Comments
Our Responsibilities With Regard to the Financial Statement Audit	Our responsibilities under auditing standards generally accepted in the United States of America and the Kansas Municipal Audit and Accounting Guide (the KMAAG) have been described to you in our arrangement letter dated January 5, 2024. Our audit of the financial statement does not relieve management or those charged with governance of their responsibilities, which are also described in that letter.
Overview of the Planned Scope and Timing of the Financial Statement Audit	We have issued a separate communication dated January 12, 2024 regarding the planned scope and timing of our audit and identified significant risks.
Accounting Policies and Practices	Preferability of Accounting Policies and Practices Under the KMAAG adopted by the state of Kansas (regulatory basis), in certain circumstances, management may select among alternative accounting practices. In our view, in such circumstances, management has selected the preferable accounting practice. Adoption of, or Change in, Accounting Policies Management has the ultimate responsibility for the appropriateness of the accounting policies used by the City. The City did not adopt any significant new accounting policies nor have there been any changes in existing significant accounting policies during the current period. Significant Accounting Policies We did not identify any significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

Area	Comments
	<p>Significant Unusual Transactions</p> <p>We did not identify any significant unusual transactions.</p>
Audit Adjustments	<p>There were no audit adjustments made to the original trial balance presented to us to begin our audit.</p>
Uncorrected Misstatements	<p>We are not aware of any uncorrected misstatements other than misstatements that are clearly trivial.</p>
Departure from the Auditors' Standard Report	<p>Modification of Opinion</p> <p>Our audit report includes an adverse opinion on U.S. Generally Accepted Accounting Principles (GAAP) resulting from the City's adoption of a resolution that is in compliance with K.S.A. 75-1120a(c), which waives the requirement for application of GAAP and allows the use of the regulatory basis of accounting. Below are the paragraphs included in the auditors' report.</p> <p style="padding-left: 40px;"><i>Adverse Opinion on U.S. Generally Accepted Accounting Principles</i></p> <p style="padding-left: 40px;">In our opinion, because of the significance of the matter discussed in the Basis for Adverse and Unmodified Opinions section of our report, the accompanying financial statement referred to above does not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of the City as of December 31, 2023, or changes in financial position and cash flows thereof for the year then ended.</p> <p style="padding-left: 40px;"><i>Matter Giving Rise to Adverse Opinion on U.S. Generally Accepted Accounting Principles</i></p> <p style="padding-left: 40px;">As discussed in Note 2 of the financial statement, the financial statement is prepared by the City on the basis of the financial reporting provisions of the <i>Kansas Municipal Audit and Accounting Guide</i>, which is a basis of accounting other than accounting principles generally accepted in the United States of America. The effects on the financial statement of the variances between</p>

Area	Comments
	<p>the regulatory basis of accounting described in Note 2 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.</p>
Observations About the Audit Process	<p>Disagreements with Management We encountered no disagreements with management over the application of significant accounting principles, the basis for management’s judgments on any significant matters, the scope of the audit, or significant disclosures to be included in the financial statement.</p> <p>Consultations with Other Accountants We are not aware of any consultations management had with other accountants about accounting or auditing matters.</p> <p>Significant Issues Discussed with Management No significant issues arising from the audit were discussed with or the subject of correspondence with management.</p> <p>Significant Difficulties Encountered in Performing the Audit We did not encounter any significant difficulties in dealing with management during the audit.</p> <p>Difficult or Contentious Matters That Required Consultation We did not encounter any significant and difficult or contentious matters that required consultation outside the engagement team.</p>
Shared Responsibilities for Independence	<p>Independence is a joint responsibility and is managed most effectively when management, audit committees (or their equivalents), and audit firms work together in considering compliance with American Institute of Certified Public Accountants (AICPA) independence rules. For BT&Co., P.A. to fulfill its professional responsibility to maintain and monitor independence, management, the City Council, and BT&Co., P.A. each play an important role.</p>

Area	Comments
	<p>Our Responsibilities</p> <ul style="list-style-type: none"> • AICPA rules require independence both of mind and in appearance when providing audit and other attestation services. BT&Co., P.A. is to ensure that the AICPA's General Requirements for performing non-attest services are adhered to and included in all letters of engagement. • Maintain a system of quality management over compliance with independence rules and firm policies. <p>The City's Responsibilities</p> <ul style="list-style-type: none"> • Timely inform BT&Co., P.A., before the effective date of transactions or other business changes, of the following: <ul style="list-style-type: none"> – Changes in the reporting entity impacting affiliates such as subsidiaries, partnerships, related entities, investments, joint ventures, component units, or jointly governed organizations. • Understand and conclude on the permissibility, prior to the City and its affiliates, Council members, or persons in a decision-making capacity, engaging in business relationships with BT&Co., P.A. • Not entering into arrangements of nonaudit services resulting in BT&Co., P.A. being involved in making management decisions on behalf of the City. • Not entering into relationships resulting in close family members of BT&Co., P.A. covered persons, temporarily or permanently acting in an accounting, or financial reporting oversight role at the City.

This representation letter is provided in connection with your audit of the financial statement of the City of De Soto, Kansas (the City) as of and for the year ended December 31, 2023 for the purpose of expressing an opinion on whether the financial statement is presented fairly, in all material respects, in accordance with the *Kansas Municipal Audit and Accounting Guide* (the KMAAG) in order to meet the requirements of the State of Kansas described in Note 2 to the financial statement (the regulatory basis).

We confirm, to the best of our knowledge and belief, having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves, that as of the date of the auditors' report:

Financial Statement

1. We have fulfilled our responsibilities, as set out in the terms of the audit engagement letter dated January 5, 2024, for the preparation and fair presentation of the financial statement referred to above in accordance with the regulatory basis.
2. We acknowledge our responsibility for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.
3. We acknowledge our responsibility for the design, implementation, and maintenance of controls to prevent and detect fraud.
4. The methods, data, and significant assumptions used by us in making accounting estimates and their related disclosures are appropriate to achieve recognition, measurement, or disclosure that is reasonable in the context of the regulatory basis, and reflect our judgment based on our knowledge and experience about past and current events, and our assumptions about conditions we expect to exist and courses of action we expect to take.
5. Related-party transactions have been recorded in accordance with the economic substance of the transaction and appropriately accounted for and disclosed in accordance with the requirements of the regulatory basis.
6. The financial statement properly classifies all funds and activities in accordance with the regulatory basis.
7. All events subsequent to the date of the financial statement, and for which the regulatory basis requires adjustment or disclosure, have been adjusted or disclosed.
8. The effects of all known actual or possible litigation and claims have been accounted for and disclosed in accordance with the regulatory basis.

FAX 913-583-3123

9. Management has followed applicable laws and regulations in adopting, approving, and amending budgets.
10. In the audit engagement letter dated January 5, 2024, we requested that you draft the financial statement. With respect to this service:
 - a. We have made all management decisions and performed all management functions;
 - b. We assigned an appropriate individual to oversee the services;
 - c. We evaluated the adequacy and results of the services performed, and made an informed judgment on the results of the services performed;
 - d. We have accepted responsibility for the results of the services; and
 - e. We have accepted responsibility for all significant judgments and decisions that were made.
11. We have no direct or indirect legal or moral obligation for any debt of any organization, public or private, that is not disclosed in the financial statement.
12. We have complied with all aspects of laws, regulations and provisions of contracts and agreements that would have a material effect on the financial statement in the event of noncompliance. In connection therewith, we specifically represent that we are responsible for determining that we are not subject to the requirements of the Single Audit Act because we have not received, expended, or otherwise been the beneficiary of the required amount of federal awards during the period of this audit.
13. We have no knowledge of any uncorrected misstatements in the financial statement.

Information Provided

14. We have provided you with:
 - a. Access to all information of which we are aware that is relevant to the preparation and fair presentation of the financial statement such as records, documentation, and other matters.
 - b. Additional information that you have requested from us for the purpose of the audit.
 - c. Unrestricted access to persons within the City from whom you determined it necessary to obtain audit evidence.
 - d. Minutes of the meetings of the governing board and committees, or summaries of actions of recent meetings for which minutes have not yet been prepared.
15. All transactions have been recorded in the accounting records and are reflected in the financial statement.
16. We have disclosed to you the results of our assessment of risk that the financial statement may be materially misstated as a result of fraud.

17. It is our responsibility to establish and maintain internal control over financial reporting. One of the components of an entity's system of internal control is risk assessment. We hereby represent that our risk assessment process includes identification and assessment of risks of material misstatement due to fraud. We have shared with you our fraud risk assessment, including a description of the risks, our assessment of the magnitude and likelihood of misstatements arising from those risks, and the controls that we have designed and implemented in response to those risks.

18. We have no knowledge of allegations of fraud or suspected fraud affecting the City's financial statement involving:

- a. Management.
- b. Employees who have significant roles in internal control.
- c. Others where the fraud could have a material effect on the financial statement.

19. We have no knowledge of any allegations of fraud or suspected fraud affecting the City's financial statement received in communications from employees, former employees, analysts, regulators, or others.

20. We have no knowledge of noncompliance or suspected noncompliance with laws and regulations.

21. We are not aware of any pending or threatened litigation and claims whose effects should be considered when preparing the financial statement.

22. We have disclosed to you the identity of all of the City's related parties and all the related-party relationships and transactions of which we are aware.

23. We are aware of no deficiencies in internal control over financial reporting, including significant deficiencies or material weaknesses, in the design or operation of internal controls that could adversely affect the City's ability to record, process, summarize, and report financial data.

24. There have been no communications from regulatory agencies concerning noncompliance with, or deficiencies in, financial reporting practices.

25. It is our responsibility to inform you of all current and potential affiliates of the City as defined by the "State and Local Government Client Affiliates" interpretation (ET sec. 1.224.020). Financial interests in, and other relationships with, affiliates of the City may create threats to independence. We have:

- a. Provided you with all information we are aware of with respect to current and potential affiliates, including degree of influence assessments and materiality assessments.
- b. Notified you of all changes to relevant considerations that may impact our determination of the existence of current or potential affiliates involving (i) changes in the determination of the materiality of an entity to the City's financial statement, (ii) the level of influence the City has over an entity's financial reporting process or (iii) the level of control or influence the City or a potential or current affiliate has over an investee that is not trivial or clearly inconsequential, sufficiently in advance of

their effective dates to enable the City and BT&Co., P.A. to identify and eliminate potential impermissible services and relationships between BT&Co., P.A. and those potential affiliates, prior to the effective dates.

c. Made you aware, to the best of our knowledge and belief, of any nonaudit services that the City or any of our affiliates has engaged BT&Co., P.A. to perform.

26. During the course of your audit, you may have accumulated records containing data that should be reflected in our books and records. All such data have been so reflected. Accordingly, copies of such records in your possession are no longer needed by us.

Supplementary Information

27. With respect to supplementary information presented in relation to the financial statement:

a. We acknowledge our responsibility for the presentation of such information.

b. We believe such information, including its form and content, is fairly presented in accordance with the regulatory basis.

c. The methods of measurement or presentation have not changed from those used in the prior period.

d. When supplementary information is not presented with the audited financial statement, we will make the audited financial statement readily available to the intended users of the supplementary information no later than the date of issuance of the supplementary information and the auditors' report thereon.

INDEPENDENT AUDITORS' REPORT

Mayor and City Council
City of De Soto, Kansas

Adverse and Unmodified Opinions

We have audited the accompanying fund summary statement of regulatory basis receipts, expenditures, and unencumbered cash balances of the City of De Soto, Kansas (the City) as of and for the year ended December 31, 2023 and the related notes to the financial statement.

Adverse Opinion on U.S. Generally Accepted Accounting Principles

In our opinion, because of the significance of the matter discussed in the Basis for Adverse and Unmodified Opinions section of our report, the accompanying financial statement referred to above does not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of the City as of December 31, 2023, or changes in financial position and cash flows thereof for the year then ended.

Unmodified Opinion on Regulatory Basis of Accounting

In our opinion, the accompanying financial statement referred to above presents fairly, in all material respects, the aggregate cash and unencumbered cash balance of the City as of December 31, 2023, and the aggregate receipts and expenditures for the year then ended in accordance with the financial reporting provisions of the *Kansas Municipal Audit and Accounting Guide* described in Note 2.

Basis for Adverse and Unmodified Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the *Kansas Municipal Audit and Accounting Guide*. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statement section of our report. We are required to be independent of the City, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our adverse and unmodified audit opinions.

Matter Giving Rise to Adverse Opinion on U.S. Generally Accepted Accounting Principles

As discussed in Note 2 of the financial statement, the financial statement is prepared by the City on the basis of the financial reporting provisions of the *Kansas Municipal Audit and Accounting Guide*, which is a basis of accounting other than accounting principles generally accepted in the United States of America. The effects on the financial statement of the variances between the regulatory basis of accounting described in Note 2 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

An Independently Owned Member, RSM US Alliance

Responsibilities of Management for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with the *Kansas Municipal Audit and Accounting Guide* as described in Note 2; this includes determining that the regulatory basis of accounting is an acceptable basis for the preparation of the financial statement in the circumstances. Management is also responsible for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of the financial statement that is free from material misstatement, whether due to fraud or error.

In preparing the financial statement, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the City's ability to continue as a going concern within one year after the date that the financial statement is issued or available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statement

Our objectives are to obtain reasonable assurance about whether the financial statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statement.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statement, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statement.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statement.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the City's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the fund summary statement of regulatory basis receipts, expenditures, and unencumbered cash balances (the basic financial statement) as a whole. The schedules listed under supplementary information in the accompanying table of contents are presented for purposes of additional analysis and are not a required part of the basic financial statement, however, are required to be presented under the provisions of the *Kansas Municipal Audit and Accounting Guide*. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statement. The information has been subjected to the auditing procedures applied in the audit of the basic financial statement and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statement or to the basic financial statement itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the accompanying supplementary information is fairly stated in all material respects, in relation to the basic financial statement as a whole, on the basis of accounting described in Note 2.

CITY OF DE SOTO, KANSAS
NOTES TO FINANCIAL STATEMENT
December 31, 2023

1 - Municipal Financial Reporting Entity

The City of De Soto, Kansas (the City) is a municipal corporation governed by a mayor and five-member council. The basic financial statement presents the City as the primary government. The City has no related municipal entities.

2 - Summary of Significant Accounting Policies

(a) Regulatory Basis of Accounting and Departure from Accounting Principles Generally Accepted in the United States of America

The *Kansas Municipal Audit and Accounting Guide* (KMAAG) regulatory basis of accounting involves the recognition of cash, cash equivalents, marketable investments, and certain accounts payable and encumbrance obligations to arrive at a net unencumbered cash and investments balance on a regulatory basis for each fund, and the reporting of changes in unencumbered cash and investments of a fund resulting from the difference in regulatory basis revenues and regulatory basis expenditures for the fiscal year. All recognized assets and liabilities are measured and reported at cost, unless they have been permanently impaired and have no future cash value or represent no future obligation against cash. The KMAAG regulatory basis does not recognize capital assets, long-term debt, accrued receivables and payables, or any other assets, liabilities, or deferred inflows or outflows, other than those mentioned above.

The City has approved a resolution that is in compliance with K.S.A. 75-1120a(c), waiving the requirement for application of generally accepted accounting principles and allowing the City to use the regulatory basis of accounting.

(b) Regulatory Basis Fund Types

A fund is defined as an independent fiscal and accounting entity with a self-balancing set of accounts recording cash and other financial resources, together with all related liabilities and residual equities or balances, and changes therein, which are segregated for the purpose of carrying on specific activities or attaining certain objectives in accordance with special regulations, restrictions, or limitations.

The following regulatory basis fund types comprise the financial activities of the City for the year ended December 31, 2023:

General Fund is used to account for the general operations of the City and is used to account for all unrestricted resources except those required to be accounted for in other funds.

Special Purpose Funds are used to account for the proceeds of specific tax levies and other specific revenue sources (other than major capital projects and tax levies for long-term debt) that are intended for specified purposes.

Bond and Interest Fund is used to account for the accumulation of resources, including tax levies, transfers from other funds, and payment of general long-term debt.

CITY OF DE SOTO, KANSAS
NOTES TO FINANCIAL STATEMENT
(Continued)

Capital Project Funds are used to account for the debt proceeds and other financial resources to be used for acquisition or construction of major capital facilities or equipment.

Business Funds are financed in whole or in part by fees charged to users of the goods or services.

Trust Funds are used to report assets held in trust for the benefit of the City.

Agency Funds are used to report assets held by the City in a purely custodial capacity.

(c) Budgetary Information

Kansas statutes require that an annual operating budget be legally adopted for the general fund, special purpose funds (unless specifically exempted by statute), the bond and interest fund, and business funds. Although directory rather than mandatory, the statutes provide for the following sequence and timetable in the adoption of the legal annual operating budget:

1. Preparation of the budget for the succeeding calendar year on or before August 1st.
2. Publication in local newspaper on or before August 5th of the proposed budget and notice of public hearing on the budget.
3. Public hearing on or before August 15th, but at least ten days after publication of notice of hearing.
4. Adoption of the final budget on or before August 25th.

If the City is holding a revenue neutral rate hearing, the budget timeline for adoption of the final budget is adjusted to on or before September 20th. The City held a revenue neutral rate hearing for the year ended December 31, 2023.

The statutes allow for the governing body to increase the originally adopted budget for previously unbudgeted increases in revenue other than ad valorem property taxes. To do this, a notice of public hearing to amend the budget must be published in the local newspaper. At least ten days after publication, the hearing may be held, and the governing body may amend the budget at that time. The City had no budget amendments for the year ended December 31, 2023.

The statutes permit transferring budgeted amounts between line items within an individual fund. However, such statutes prohibit expenditures in excess of the total amount of the adopted budget of expenditures of individual funds. Budget comparison statements are presented for each budgeted fund showing actual receipts and expenditures compared to legally budgeted receipts and expenditures.

All legal annual operating budgets are prepared using the regulatory basis of accounting, in which revenues are recognized when cash is received and expenditures include disbursements, accounts payable, and encumbrances. Encumbrances are commitments by the municipality for future payments and are supported by a document evidencing the commitment, such as a purchase order or contract. Any unused budgeted expenditure authority lapses at year-end.

A legal operating budget is not required for capital project funds, trust funds, agency funds, the Shop Fund, or the following special purpose funds: Electric Utility Investment, Enhancement Community Fountain, Commerce Drive (Harps) Tax Increment, 2019 Commerce Drive (Hike) TIF, and CDBG.

CITY OF DE SOTO, KANSAS
NOTES TO FINANCIAL STATEMENT
(Continued)

Spending in funds which are not subject to the legal annual operating budget requirements are controlled by Federal regulations, other statutes, or by the use of internal spending limits established by the governing body.

All budgets must be filed with the County Clerk by August 25th. The County Clerk must calculate the final tax levy rates necessary to finance the budget subject to any legal limitations. After all budgets have been received and tax rates calculated, the County Clerk certifies the tax roll to the County Treasurer, who prepares tax statements and receives payment.

These taxes become a lien against all property on November 1st. Taxpayers have the option of paying in full or in two installments. The delinquency dates are December 20th and May 10th. Delinquent taxes are assessed interest at 12% per annum. This interest is retained by the County.

Taxes levied to finance the budget are made available to the City after January 1st and are distributed by the County Treasurer approximately every month and a half. At least 50% of the taxes levied are available in January. Delinquent tax collections are distributed throughout the year.

The County Treasurer is the tax collection agent for all taxing entities within the County. The initial distribution to the subdivisions, including the City, is on or before January 20th of the ensuing year. Additional amounts are distributed on four subsequent dates throughout the calendar year.

(d) Annual Personal and Sick Leave Benefits

Under the terms of the City's personnel policy, City employees are granted annual personal and sick leave in varying amounts.

Full-time employees accrue vacation each year at the following rates:

One to four years of service	10 days
Five to nine years of service	15 days
10 to 14 years of service	20 days
15 to 19 years of service	25 days
20 or more years of service	30 days

Employees cannot carry over more than one half of the annual entitlement for the year in which it was earned. Upon termination or resignation, employees are compensated for unused vacation time, up to a maximum of the yearly amount of vacation time earned.

(e) Inventories and Prepaid Expenses

Inventories and prepaid expenses which benefit future periods are recorded as an expenditure during the year of purchase.

(f) Use of Estimates

The preparation of the financial statement in compliance with the regulatory basis requires management to make estimates and assumptions that affect the reported amounts of encumbrances at the date of the

CITY OF DE SOTO, KANSAS
NOTES TO FINANCIAL STATEMENT
(Continued)

financial statement and the reported amounts of expenditures during the reporting period. Actual results could differ from those estimates.

3 - Deposits and Investments

K.S.A. 9-1401 establishes the depositories which may be used by the City. The statute requires banks eligible to hold the City's funds have a main or branch bank in the county in which the City is located, or in an adjoining county if such institution has been designated as an official depository, and the banks provide an acceptable rate of return on funds. In addition, K.S.A. 9-1402 requires the banks to pledge securities for deposits in excess of FDIC coverage. The City has no other policies that would further limit interest rate risk.

K.S.A. 12-1675 limits the City's investment of idle funds to time deposits, open accounts, and certificates of deposit with allowable financial institutions; U.S. government securities; temporary notes; no-fund warrants; repurchase agreements; and the Kansas Municipal Investment Pool (KMIP). The City has no investment policy that would further limit its investment choices.

The City may invest bond proceeds pursuant to K.S.A. 10-131. This statute allows additional investment authority beyond that of K.S.A. 12-1675. Investments of bond proceeds may follow K.S.A. 12-1675 or include other investments such as the KMIP, direct obligations of the U.S. government or any agency thereof, and various other investments as specified in K.S.A. 10-131.

At December 31, 2023, the fair value of the City's investments is as follows:

Investment Type	Fair Value	Investment Maturities (in Years)
Kansas Municipal Investment Pool	\$ 15	Less than a year
U.S. government securities	<u>68,579,269</u>	Less than a year
Total investments	<u><u>\$ 68,579,284</u></u>	

KMIP is under the oversight of the Pooled Money Investment Board. The board is comprised of the State Treasurer and four additional members appointed by the State Governor. The board reports annually to the Kansas legislature. State pooled monies may be invested in direct obligations of, or obligations that are insured as to principal and interest by the U.S. government or any agency thereof, with maturities up to four years. No more than ten percent of those funds may be invested in mortgage-backed securities. In addition, the State pool may invest in repurchase agreements with Kansas banks or with primary government securities dealers. The City's investment in the KMIP was not rated by a rating agency as of December 31, 2023.

Fair value measurement. The City categorizes its fair value measurements within the fair value hierarchy. The hierarchy is based on the valuation inputs used to measure the fair value of the asset. Level 1 inputs are quoted prices in active markets for identical assets; Level 2 inputs are significant other observable inputs; Level 3 inputs are significant unobservable inputs. For the year ended December 31, 2023, the

CITY OF DE SOTO, KANSAS
 NOTES TO FINANCIAL STATEMENT
 (Continued)

U.S. government securities were valued with significant other observable inputs (Level 2). Fair value measurement hierarchy information is not provided for the City's deposits in the Kansas Municipal Investment Pool. The City's investment in the KMIP is reported at cost.

Concentration of credit risk. State statutes place no limit on the amount the City may invest in any one issuer as long as the investments are adequately secured under K.S.A. 9-1402 and 9-1405. The City's allocation of investments as of December 31, 2023, is as follows:

Investment Type	Percentage of Investments
Kansas Municipal Investment Pool	0.00%
U.S. government securities	100.00%

Custodial credit risk - deposits. Custodial credit risk is the risk that in the event of a bank failure, the City's deposits may not be returned to it. Kansas statutes require the City's deposits in financial institutions to be entirely covered by federal depository insurance or by collateral held under a joint custody receipt issued by a bank within the State of Kansas, the Federal Reserve Bank of Kansas City, or the Federal Home Loan Bank of Topeka.

At December 31, 2023, the City's carrying amount of deposits was \$ 6,607,770, and the bank balance was \$ 8,110,612. The City's deposits were held by three banks resulting in a concentration of credit risk. Of the City's bank balance, \$ 5,160,306 was covered by federal depository insurance, \$ 2,275,000 was collateralized with securities held by the pledging financial institutions' agents in the City's name, and the remaining \$ 675,306 was not secured.

Custodial credit risk – investments. For an investment, this is the risk that, in the event of the failure of the issuer or counterparty, the City will not be able to recover the value of its investments or collateral securities that are in the possession of an outside party. State statutes require investments to be adequately secured. At December 31, 2023, the City's investments were not exposed to custodial credit risk.

4 - Defined Benefit Pension Plan

General Information about the Plan

Plan Description. The City participates in the Kansas Public Employees Retirement System (KPERS), a cost-sharing multiple-employer defined benefit pension plan as provided by K.S.A. 74-4901, et seq. Kansas law establishes and amends benefit provisions. KPERS issues a publicly available financial report that includes financial statements and required supplementary information. KPERS' financial statements are included in its Annual Comprehensive Financial Report which can be found on the KPERS website www.kpers.org or by writing to KPERS (611 South Kansas Avenue, Suite 100, Topeka, Kansas 66603) or by calling 1-888-275-5737.

Contributions. K.S.A. 74-4919 and K.S.A. 74-49,210 establish the KPERS member-employee contribution rates. KPERS has multiple benefit structures and contribution rates depending on whether the employee is a KPERS 1, KPERS 2, or KPERS 3 member. KPERS 1 members are active and

CITY OF DE SOTO, KANSAS
NOTES TO FINANCIAL STATEMENT
(Continued)

contributing members hired before July 1, 2009. KPERS 2 members were first employed in a covered position on or after July 1, 2009, and KPERS 3 members were first employed in a covered position on or after January 1, 2015. Effective January 1, 2015, Kansas law established the KPERS member-employee contribution rate at 6.00% of covered salary for KPERS 1, KPERS 2, and KPERS 3 members. Member contributions are withheld by their employer and paid to KPERS according to the provisions of Section 414(h) of the Internal Revenue Code.

State law provides that the employer contribution rates for KPERS 1, KPERS 2 and KPERS 3 be determined based on the results of each annual actuarial valuation. Kansas law sets a limitation on annual increases in the employer contribution rates. The actuarially determined employer contribution rate (not including the 1% contribution rate for the Death and Disability Program) and the statutory contribution rate was 8.43% for the fiscal year ended December 31, 2023. Contributions to the pension plan from the City were \$ 295,204 for the year ended December 31, 2023.

Net Pension Liability

At December 31, 2023, the City's proportionate share of the collective net pension liability reported by KPERS was \$ 2,944,326. The net pension liability was measured as of June 30, 2023, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of December 31, 2022, which was rolled forward to June 30, 2023. The City's proportion of the net pension liability was based on the ratio of the City's contributions to KPERS, relative to the total employer and non-employer contributions of the Local subgroup within KPERS. Since the KMAAG regulatory basis of accounting does not recognize long-term debt, this liability is not reported in this financial statement.

The complete actuarial valuation report including all actuarial assumptions and methods, and the report on the allocation of the KPERS collective net pension liability to all participating employers are publicly available on the website at www.kpers.org or can be obtained as described above.

CITY OF DE SOTO, KANSAS
NOTES TO FINANCIAL STATEMENT

Defeased Debt

During the year ended December 31, 2023, the City defeased certain general obligation bonds by placing the proceeds of funds provided by Panasonic pursuant to a development funding agreement in an irrevocable trust to provide for future debt service payments on the Series 2022-A bonds. Accordingly, the trust accounts assets and the liabilities for the defeased bonds are not included in the City's financial statement. At December 31, 2023, \$ 6,785,000 of the bonds that are considered defeased remain outstanding.

Conduit Debt

Tax Increment Revenue Bonds

During the year ended December 31, 2018, the City issued \$ 2,161,559 in Series 2018 special obligation tax increment revenue bonds for the Commerce Drive Project. This redevelopment project supports the development of a commercial grocery store site on land in the Commerce Drive TIF District.

This debt is to be paid solely from incremental property tax revenues generated by the private development of the Commerce Drive TIF District. The following is a description of the outstanding special obligation bond as of December 31, 2023:

Bond Issue	Interest Rate	Date Issued	Original Issue Amount	Final Maturity	Outstanding Balance
Series 2018 (Commerce Drive Project)	5.00%	2/16/2018	\$ 2,161,559	12/30/2036	\$ 1,450,559

Industrial Revenue Bonds

The City has issued industrial revenue bonds to provide financial assistance to private sector entities for the acquisition and construction of industrial and commercial facilities deemed to be in the public interest. The bonds are secured by the property financed and are payable solely from payments received on the underlying mortgage loans. Upon repayment of the bonds, ownership of the acquired facilities transfers to the private sector entity served by the bond issuance. Neither the City, the State of Kansas, nor any political subdivision thereof is obligated in any manner for the repayment of the bonds. As of December 31, 2023, there were eleven series of industrial revenue bonds outstanding with an aggregate principal amount payable of \$ 122,260,972.

Sewer System	Bond and Interest	KSA 12-825d	140,000
Electric Utility Investment	Capital Improvement	KSA 12-1,118	69,326

7 - Other Post-Employment Benefits

As provided by K.S.A. 12-5040, the City allows retirees to participate in the group health insurance plan. While each retiree pays the full amount of the applicable premium, conceptually, the City is subsidizing the retirees because each participant is charged a level premium regardless of age. However, the cost of this subsidy has not been quantified in this financial statement.

Under the Consolidated Omnibus Budget Reconciliation Act (COBRA), the City makes health care benefits available to eligible former employees and eligible dependents. Certain requirements are outlined by the federal government for this coverage. The premium is paid in full by the insured.

Death and Disability Other Post-Employment Benefits

As provided by K.S.A. 74-4927, disabled members in the Kansas Public Employees Reimbursement System (KPERS) receive long-term disability benefits and life insurance benefits. The plan is administered through a trust held by KPERS that is funded to pay annual benefit payments. The employer contribution rate is set at 1% for the year ended December 31, 2023.

CITY OF DE SOTO, KANSAS
 NOTES TO FINANCIAL STATEMENT
 (Continued)

8 - Capital Projects

Capital project authorizations with approved change orders compared with expenditures from inception are as follows:

Project Name	Project Authorization	Expenditures to Date
Water Treatment Plant Improvements	\$ 48,062,568	\$ 3,236,131
Wastewater Treatment Plant Improvements	10,175,457	2,869,632
Water Tower Construction	262,935	-
City Hall Remodel	536,866	57,857
Wells Project	2,370,214	1,637,131
83rd Street Bridge	400,023	214,279

9 - Lease Agreement

The City continues to operate the water treatment plant at the former Sunflower Army Ammunition Plant, now owned by private developer Sunflower Redevelopment, LLC. The City's use is pursuant to a perpetual lease agreement dated July 29, 2005. Pursuant to a Real Estate Transfer Agreement dated July 29, 2005 between the City and Sunflower Redevelopment, LLC, the City will receive fee title interest to the treatment plant as soon as the land receives a CERCLA Covenant pursuant to 42 U.S.C. § 9620(h)(3)(A)(ii). The City initiated improvements to the water treatment plant site in 2010; the improvements included a back-up electrical generator, the installation of new electrical service to the plant, and a new water main leading from the plant to the City's distribution system. Construction was completed in 2011. The City, in conjunction with the City of Baldwin, the City of Wellsville, and the Douglas County Rural Water District #4, completed a broader water facilities study in 2012. The study evaluated the concept and costs of creating a regional wholesale water supply district. Proceeding with the creation of a regional wholesale water supply district does not appear feasible at the present time due to the City of Baldwin deciding not to participate.

10 - Interfund Balances

The Electric Utility Investment Fund has advanced money to the General Fund and Water System Fund for the purchase of equipment in the amount of \$ 762,046. This amount includes a new advance in 2023 for equipment in the amount of \$ 148,629. During the year ended December 31, 2023, the General Fund and Water System Fund paid the Electric Utility Investment Fund \$ 128,824 and \$ 12,912, respectively, for repayment of the advances. The balance of the advances remaining at December 31, 2023 was \$ 268,113.

CITY OF DE SOTO, KANSAS
NOTES TO FINANCIAL STATEMENT
(Continued)

11 - Commitments and Contingencies

The City receives significant financial assistance from numerous federal and state governmental agencies in the form of grants and state pass-through aid. The disbursements of funds received under these programs generally require compliance with terms and conditions specified in the grant agreements and are subject to audit. Any disallowed claims resulting from such audits could become a liability of the General Fund or other applicable funds. However, in the opinion of management, any such disallowed claims will not have a material effect on the basic financial statement as of December 31, 2023.

In July of 2022, the Kansas governor announced that Panasonic has selected the City as the site of a new \$ 4.0 billion, 4 million square foot Li-Ion battery manufacturing plant which will employ 4,000 people. The City is poised to experience a rapid transformation with this development, which is the biggest economic development project in state history. A study performed by Wichita State estimates that the region will see an annual impact of \$ 2.5 billion from the facility. Production of the batteries is expected to begin in 2025. The plant is expected to bring secondary business and demand for additional housing, retail, and service providers to the City and the region. In addition, the construction of the Panasonic facility is projected to require 3,000 construction workers at its peak, with approximately 1,000 workers on site at the end of 2023. Retail sales activity in the City has increased substantially since the 3rd quarter of 2023. The City also recently approved redevelopment of an industrial and manufacturing area adjacent to the Panasonic site that is expected to consist of up to 4.7 million square feet of space.

During 2023, the City entered into a development funding agreement with Panasonic to fund the City's Water Treatment Plant Upgrades and Wastewater Treatment Plant Upgrades as specified in the agreement with a total estimated cost of \$ 87,000,000. As part of this agreement, Panasonic has advanced funds to the City as of December 31, 2023 of \$ 58,435,096 to be used to fund these projects. Additionally, as part of the agreement, Panasonic paid for a partial defeasance of 2022-A General Obligation Bonds which were to be utilized to pay for this project.

12 - Risk Management

The City is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters for which it carries commercial insurance. Settled claims resulting from these risks have not exceeded commercial insurance coverage in any of the past three fiscal years. There have not been significant reductions in coverage from prior years.
